## Dance Team Fund Raisers!

Our Dance Teams are a talent group of dancers that travel competing in dance competitions. We have seven different teams ranging from ages 5-18yrs old.

Our Dance Teams will be holding a couple of Fund Raisers as we head into Spring. First, they will be hosting a "Dance Workshop" for all dancers to come and learn from our members. This will be a fun learning experience for all dancers and all dancing levels... Our team members are ready to share their talents and have a great day with your dancer!

As well, our dance teams will be selling Business Ads for our "Recital Program" and "Well Wishes" to print in the program too! (additional info to come!) Lastly, members and their families will be selling concessions at the Recital and Recital Rehearsals...

**Yummy, Yummy!**
